7/17/2020

Welcome to My School Bucks Online Ordering!

We at Epicurean Group hope you will enjoy our Menus and food selections. We know that tasty and nutritious food can help boost concentration, morale too, which is crucial for well-being! Our meals are packaged and labeled according to HACCP standards, in compostable packaging. We are working closely with our Campus Communities to determine your favorites! Please give us your feedback via email Alex@epicurean-group.com. Our primary concern is the health and well-being of our Campus Communities, Employees, and Business Partners.

The purpose of this letter is to inform you that Epicurean Group is requesting your support in the process of going fully online this school year. We are implementing a new, easier to use online ordering system that will allow you to pre-order meals for your student. **On-line ordering will be available to order 10 days prior to the beginning of on campus classes. We ask that you pre-order your student's meals by the end of each Thursday, preceding the upcoming week of classes.**

Easily order and pay for school meals online this year! Create your free MySchoolBucks account to conveniently and securely purchase meals or add money to your student's meal account online. With MySchoolBucks you'll be able to order and purchase meals from anywhere!

Get Started Today:

1. Go to myschoolbucks.com.
2. Create your free account and add your students using their school name/student ID
3. View meals on our online store and choose from our varied menu options
4. Decide for each item you purchase – **pay now with your credit card, or have it deducted from your students account (account charges are processed every Friday for the following week)**
5. Add meals to your basket
6. Check out now and pay with your credit card or E-check or let us deduct it from your account – make sure you have enough money to cover your purchase!

We appreciate you using this online option as a way to eliminate physical cash and check handling that would typically happen in the café serving line. It will also allow us to ensure that your child's meal is ready at their safe designated pickup location.
