

Advanced Course Placement Information

Algebra Challenge Test:

If you are interested in testing out of Algebra I in order to take Geometry, Geometry Honors, or a more advanced math, you will need to take the placement test on **Monday, April 30th, or Tuesday, May 1st at 4 p.m.** Please arrive to the Main Office by 3:45.

*****Please register for the exam by April 23rd by following [this link](#)*****

Please review our 2018 course catalog on the Academics tab of our webpage for a description of the above courses.

Language Placement Test:

If you are interested in taking Spanish 2, Spanish 2 Honors, Spanish for Heritage Speakers, or French 2, you will need to take the placement test on **Thursday, May 3rd at 4 p.m.** Please arrive to the Main Office by 3:45.

*****Please register for the exam by April 23rd by following [this link](#)*****

The placement exam will test your reading, writing, and listening skills in the target language. If applying for Spanish for Heritage Speakers or Spanish 2 Honors, you may be asked to have a short conversation with one of our teachers in the target language.

Please review our 2018 course catalog on the Academics tab of our webpage for a description of the above courses.

Other Honor(s) Opportunities:

Honors designation in Big History (9th grade social studies) and English 1 - Big Voices (9th grade English) is available and open to ALL students. Opportunities are embedded within the course and students have the option to challenge themselves with honors curriculum. Honors designation will be assigned at the end of term once minimum qualifications are met. Teachers will have more detailed information for students at the beginning of the school year.
