CARONDELET HIGH SCHOOL STATEMENT ON COMMUNITY SUPPORT

MANY THE
OUR HISTORY 1965

In 1965, the Sisters of St. Joseph of Carondelet responded to the needs of the Church by founding Carondelet High School, the only Catholic secondary school for young women in Contra Costa County. With a freshman class of 115 students, the School’s original faculty and staff comprised three Sisters and three laywomen.

Carondelet’s spacious campus, brick buildings, and gracious columns and balconies suggest the Spanish origin of the name Carondelet, which refers to a settlement outside of St. Louis, where the Sisters established their first American mission. In 1836, Mother St. John Fontbonne, the refoundress of the Sisters of St. Joseph following the French Revolution, sent the first Sisters to America. Known as a woman of heart, faith, and courage, Mother St. John has become an inspiration and model for Carondelet students who strive to become “all of which woman is capable in service to the dear neighbor.”

As the sponsor of Carondelet High School, the Congregation of St. Joseph continues to challenge Carondelet students to be women of heart, faith and courage. Today, the faculty and staff of 100 professionals minister to a student body of 800 young women as Carondelet continues to build a tradition of Christian community, innovative programs, and academic excellence.

MISSION STATEMENT

Carondelet High School inspires excellence by preparing young women to live with heart, faith and courage in the Catholic tradition and spirit of the Sisters of St. Joseph.

VISION STATEMENT

A Carondelet graduate is empowered by her Catholic, college-preparatory education and is known as a woman who responds to the needs of the times and makes a positive difference.

LETTER FROM THE PRESIDENT

Dear Carondelet Friends and Families,

Many the Gifts provides an opportunity for Carondelet to reflect on the 2015-16 fiscal year and pay tribute to the many individuals, businesses and foundations that have so generously supported our school’s mission and work.

Last year we had the privilege of celebrating our 50th anniversary, honoring our legacy and the community that made Carondelet what it is today, while laying the foundation for what is yet to be.

In addition to celebrating this milestone with dozens of Sisters of St. Joseph, former school leaders, alumnae from near and far, and current families and faculty, we spent the year further developing our vision for the future and took solid steps toward making it a reality.

In December, we entered into a purchase agreement to acquire 6 acres of land that will become the future Carondelet Athletics Complex, providing a home to 13 of our sports teams and which will provide space for students to study, host retreats and socialize.

Our academic programming continued to evolve as we introduced innovative college-level courses and provided new opportunities for our students to travel abroad.

We also hosted our second year of summer school, growing it from a few remediation courses to a program featuring advancement classes, a middle school bridge program and a sports clinic.

As we ended our 50th year, we proudly enter our next 50 years with a new school logo that captures our tradition as a Sister of St. Joseph school, pays tribute to the CSJ core mission, and reflects our aspiration to deliver educational excellence for young women with a fresh optimism for all that woman is capable.

Surely, we cannot make our dreams a reality without the generosity of our donors. Your support ensures that our young women continue to have the best opportunities to learn, grow and lead in their own right.

As we continue striving to make each student’s Carondelet experience life-changing, I can’t thank you enough for your partnership, generosity and support in standing hand in hand with us in our pursuit of excellence.

With great gratitude,

Bonnie Cotter
President

SISTERS OF ST. JOSEPH OF CARONDELET

We honor and thank the Sisters of St. Joseph of Carondelet—as the founders and sponsors of the School—for their many years of service to and support of the Carondelet High School community.

In the spring of 2016, Carondelet entered into a land purchase agreement for six and a half acres in Walnut Creek. The new property promises to be home to the new Carondelet Athletics Complex. A capital campaign was launched in the spring in support of the land purchase and property development. The following donors took the lead in campaign gifts:
